*Very helpful for all class of people. Sure, it is actually play, nonetheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THE BIRDS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. The Birds is a comedy by the Ancient Greek playwright Aristophanes. They appease him and he returns indoors to fetch his master. Moments later the Hoopoe himself appears-a not very convincing bird who attributes his lack of feathers to a severe case of moulting. He is happy to discuss their plight with them and meanwhile one of them has a brilliant idea-the birds, he says, should stop flying about like idiots and instead should build themselves a great city in the sky, since this would not only allow them to lord it over men, it would also enable them to blockade the Olympian gods in the same way that the Athenians had recently starved the island of Melos into submission. The Hoopoe likes the idea and he agrees to help implement it, provided of course that...
